Did you know that we have an Occasional & Emergency Child-Minding program? This program is for parents who need short-term, occasional child-minding for children 18 mos. to 5 years. The children are cared for during Family Place hours only on certain days. Space is limited and registration is required. Please speak with Penny.

Welcome to Kiwassa's Family Place Drop-in! We want you to enjoy your time here and hope you and your child have a pleasant visit with us. As safety is of the utmost importance to us, we would like to introduce the following:

Family Place Guidelines:

1. All children are encouraged to play in a safe and positive way, which means we do not hit, kick, or bite each other, climb on furniture, or run around.
2. Parents and caregivers are required to supervise their children and make sure safety expectations are followed.
3. Family Place Drop-in is a **parent and child** program. Do not leave your child in Family Place and go somewhere else or leave your child unattended during any outings. We ask that you always supervise your child.
4. Physical punishment is NEVER permitted. Family Place facilitators will assist parents and caregivers in choosing positive strategies for managing their child.
5. Circle Time is your time to connect with your child. **We ask that all parents and caregivers participate with their child in circle time.**
6. Playtime is over by lunch. We ask that children and parents/caregivers help clean up after morning activities.
7. If you or your child is sick or feeling unwell, we encourage you to both stay at home and rest, to prevent the spreading of germs.
8. The kitchen next to Family Place Drop-in is a staff room and not part of Family Place. Children cannot be left alone in the kitchen.
9. For safety reasons, the blue sliding door and the door between Family Place and the lobby are to be kept closed all the time. The exterior doors at the back of Family Place are an emergency exit only and are not to be propped open.
10. The telephone in Family Place Drop-in is a staff phone only. Please ask if you need to make a phone call. **We also appreciate parents/ caregivers keeping their cell phone off while participating in Family Place.**
11. If you have questions or concerns, please speak to Family Place staff.
