PART

TWO

For all male-identified folks looking to learn more skills in communication, healthy relationships and self-awareness. This **3-part workshop discussion group** will meet in a casual, open and judgment free environment to share stories from our pasts, our reflections on the present, and together develop new visions for our futures. This is a great opportunity for anyone beginning to seek new skills and ideas or for those looking to dive deeper into an expanding journey of self discovery and reinvention. These sessions are being offered for **free** with provided **light dinner** and **bus-tickets**.

Please register by contacting Jesus Gonzalez: jesusg@kiwassa.ca or Ryan Avola: ryana@kiwassa.ca.
