

## **Daycare Centre Volunteer**

Kiwassa Neighbourhood House is looking for energetic, caring and responsible people to assist us in our daycare centres. The volunteer will assist one or more days per week (depending on your availability). The position would be good for a person who is reliable and enjoys being with children. The position provides volunteers practical experience in early childhood and day care environment. Kiwassa volunteers get benefits of networking and skill building opportunities, and we also provide employment references after three months of commitment. We give preference to neighbourhood residents and those who are able to commit and encourage particularly newly arrived immigrants in our area to apply for this position.

### **Duties Include:**

- Assist in setting up activity centers such as art, play-dough, sand, circles and outdoor play
- Assist staff in supervising the children and ensuring their safety
- Help with set up and clean up during class times as well as before and after the children leave
- Engage in positive interaction with children

### **Experience and Qualifications:**

- Good communication skills
- Reliable, friendly, patient and comfortable with children
- Enjoys working in multi-cultural settings
- Speaking English is required; second language is an asset
- Clear criminal record check

### **Supervisor**

Daycare Coordinator

### **Start Date**

ASAP

### **End Date**

Three to six months commitment and if possible on going

### **Time Commitment**

Average 3-4 hours per day
